She never acted like that before she was always good to you and I and Terry I don't know what got into her. But I wanted to tell you I'm sorry but Brother Ron called me and said his Health was bad and he didn't want to ruin your special day and my GOD she in up doing it until he walked down and I said can you finish this and he did Mom and he told me he didn't have his BIBLE with him I said it doesn't matter you know it by Heart so he went and did it for you like he told you he would he even came to the Cemetery and finished it off there too. Mom he talked about how he first met you and how he felt about you and he New you were a Beautiful Lady. I was so Happy for him to do that. Mom I Love you and I am glad you looked so Beautiful like always. J.R. barely could hold on I felt so sorry for him he Love's you so much I know all my Children and Grandchildren Love you Mom and so does your other Grandchildren. Katelyn wrote something about Judge Judy how you didn't care to much about her cause she was so rude to people. You will see it I hope so. Well Mother I am going to try and lay down.
