“ Louise was one who I worked with many times as we prepared for conferences and gatherings for the sisters in education. I always felt highly complimented when my sisters would say, "You remind me of Louise." We were both rather efficient, know-hows, and loved to make things beautiful for others - even a plan old meeting. No one was just anybody, but everyone was special and deserved "our best." She nourished me by her words, example, and heart full to the brim of care for others. Being I have been in the South for over 40 years, our paths didn't cross, but I always remember "my buddy, Louise." May she enjoy the fruits of her life. Gratefully, Sr. Joanne Cozzi, D.C.

“ I knew Louise from growing up at St. Anthony's. She was a cousin of my good friend Jimmy Coomes. My wife(Carolyn Knapp) and I graduated a year ahead of Louise at Mater Dei. I remember that she was fun to be around. She developed into a very classy lady and was a positive influence in society. Our prayers and condolences go out to her family and friends. “ I worked with Louise on the National Board of Ladies of Charity and she was one of the most dedicated lady working for the less fortunate I have known. She was so talented in many many different areas and was beautiful inside and out. I will miss our phone calls. Prayers for her and her family.

“ I am so sorry for your loss. I have known Louise for many years. I met her through my mother (Margaret Zirkelbach) and our involvement in the Ladies of Charity. Louise was a delightful and fun loving individual. She was also kind and caring, and always seemed to have a smile on her face. She loved and enjoyed her family a great deal. I always enjoyed receiving her Christmas cards which she designed herself. I will miss Louise, and I will never forget her.

“ I have had the joy of knowing Louise since the 1980's and working with her when she was the Executive Director of Birthright; in all her work with Natural Family Planning; as our executive assistant par excellence at Mater Dei and her work with the Ladies of Charity. In all these roles she was amazing in all she could do but more importantly in her very presence as she went about her various ministries. She was very much a "sister" to all of us in our Daughter of Charity Community and helped us have some amazing experiences as we came together for special events and community meetings. She helped us throw great parties and celebrations and was a gentle yet powerful behind the scenes leader in the all. What a great gift she has been to the our Community and to the Church of Evansville. I will miss her greatly. Sister Cathy Kelly, D.C.
